**The Bank shall reserve the right to update the interest policy in case of considerable changes in the market conditions.*

The Bank shall pay interest on accounts in: BGN, EUR, USD, GBP, CHF.

*** Method of yield calculation for the various types of deposits - $L=N * i\% * (n / 360)$**

Legend:

L – Yield

N – nominal amount of the deposit (deposited amount)

$i\%$ - annual interest rate of the deposit

n – number of days

Bulgarian Deposit Insurance Fund shall secure the total payment of the sums under deposit accounts of a private individual held in a bank (regardless of the number and the amount of each deposit) up to BGN 196'000,00. The above mentioned amount shall be comprised of the principal and accrued interest by the date of the decision of Bulgarian National Bank to deprive a certain commercial bank of the License for conducting bank activity.

In case of a deposit account held in foreign currency the depositor shall be credited for the BGN equivalence of the guaranteed amount of the deposit at the rate of Bulgarian National Bank on the date when the payment of the deposit insurance has started.
